

Design Mario Ferrarini

Minima, 949  
sedia dining \ dining chair

Minima è una nuova seduta interamente in legno, disegnata da Mario Ferrarini, nata dall'idea di realizzare un oggetto accogliente e robusto, dalle linee fluide ed energiche. Un progetto rassicurante nella sua visione precisa e puntuale, che si contraddistingue per i dettagli pesati e il profilo rigoroso. Il multistrato della seduta e dello schienale si sviluppa seguendo una sinuosa armonia; le gambe in massello di frassino sono lavorate per accogliere lo schienale grazie ad una elegante torsione che ne esalta gli effetti di luce e la lavorazione raffinata tipica di Potocco, ponendo l'accento sulla magistrale capacità dell'azienda di lavorare con il legno.

Minima is the new chair entirely made out of wood, designed by Mario Ferrarini, developed from the idea to create a welcoming and robust object with fluid and energetic lines. It is a reassuring project in its precise and accurate vision that stand out for its thoughtful details and rigorous profile. The plywood of the seat and the backrest is designed following a sinuous harmony and the legs in solid ash wood are worked to accommodate the backrest thanks to an elegant twist that enhances the light effects and the refined workmanship typical of Potocco, emphasizing the company's masterful ability to work with wood.
